Dear Mr. Weisberg:

Thank you for your letter of January 24. I appreciate your confidence in suggesting that I might undertake to write a foreword for your book. Unfortunately my commitments are such that I have been forced to decline a number of similar invitations, and I must, I am afraid, follow the same practice now. I have been making too many apologies for past-due deadlines to take on additional obligations at this time.

With all good wishes,

Sincerely yours,

Paul A. Freund
